| Roadway Improvements - Short Street to Sycamore Street | Road or Intersection Improvement | Brewery District | 2177 | This project will create a new Short Street alignment from the existing western terminus of Sycamore Street to a point approximately 665' south of Liberty Street, such that it connects the existing Short Street to Sycamore Street on a curved alignment, and reconstruct Short Street from the new alignment to the Liberty Street intersection. Short Street will consist of one through lane in each direction, curb, sidewalk, and shared use path. | Execution | Active | 07/20/2021 | UIRF funding part of larger project. Construction will begin in 2021. |
